6:00 pm – 8:30 pm

Caribou Inn and Convention Center
Tuesday, November 18, 2014
1:00 pm – 3:30 pm

Featuring Matt Brown

Join us for this important educational opportunity with Matt Brown. Matt Brown is an Autism Safety Trainer. He has more than 20 years of experience in law enforcement and is a parent of a child with Autism. Matt travels the State of Maine training first responders on recognizing individuals with autism and teaching how to appropriately interact with them in the field.

This training opportunity was developed by the Eastern Aroostook RSU 39 Awe-tism Connections Team, Caribou, Limestone, and Stockholm Special Education Department. The mission of the Awe-tism Connections Team is to bridge the gap across settings through life for students with Autism Spectrum Disorder by increasing awareness of Autism and its characteristics, as well as providing education and training in evidence-based practices. To this end, the Awe-tism Connections Team is dedicated to train and support those who work with children with Autism throughout our district as well as our community.

We are requesting pre-registration.

You may register through any of these contacts:

Karla Michaud, RSU 39, 496-6311,
